K Division 2022-02-01 UPDATE COVID 19-Trucker Convoy Blockade of Canada/USA Border

ISSUE:

- Truck Convoy/Blockade of Port of Entry (POE) at Coutts, Alberta.

BACKGROUND:

- Information from RCMP, CBSA and United States Customs and Border Protection (USCBP) report a convoy and blockade at the Port of Coutts on Sunday, January 30, continuing from January 29, 2022.
- The Port of Coutts operates 24 hours, and is the largest POE in Alberta. Hundreds of commercial and personal vehicles travel through this major thoroughfare on any given day.
- There are border crossings located at Coutts, Del Bonita, and Carway, Alberta. Coutts is the only 24-hour crossing.
- The Coutts POE is positioned on Highway 4 on the Canadian side, and I-15 on the USA side. Coutts is in the Milk River detachment area, Del Bonita is in the Raymond detachment area, and Carway is in the Cardston detachment area.

Current Status:

- On 22-01-31 CCMG made contact with the organizers of the protest. Discussions continued throughout the day however, diminished in the evening.
- Several vehicles, who were caught amongst the protesters, were able to leave from within the protest.
- The Coutt's border crossing continues to be blocked by semi-trucks and other vehicles.
- Further efforts to communicate with the protesters were not successful.
- The protesters continue to demonstrate an unwillingness to move their vehicles from the highway.
- RCMP maintained a perimeter at the site throughout the night.
- The "K" Division STO is currently at the Coutts border with the intention of taking enforcement action. Operations were planning to start at 1000 hours however, at approximately 0830 hours "K" Division learned that all tow truck companies that were engaged to assist in our operations have advised that they will not participate.
- The tow companies involved to date have been receiving significant negative attention and commentary on social media which has led to all companies making the decision not to be involved.
- "K" Division DEOC still continues to engage with these companies and is looking at other options, including assistance from oil companies and potentially a request for assistance from the Canadian Armed Forces.
- The Premiers office has reached out to "K" Division and has asked for a teleconference at 1230 hours on 22-02-01.

STRATEGIC COMMUNICATIONS:

- A media release will be disseminated prior to RCMP taking enforcement action.
- Social media messaging from RCMP accounts is being used heavily in the print media.
- Social media is being monitored, coverage is primarily positive toward law enforcement.
